// The Palermo bath is a contemporary gem. This bath works well with paired back and restrained materiality, such as large format alabaster, the drama of a pedestal basin, paired with materials such as terrazzo, timber veneers and bronze tapware. A timeless, cohesive, and natural palette.

Featuring Ritz Bath
RRP \$4185.00 incl GST

“ The Ritz bath lends itself to a feeling of contemporary opulence. In using this bath we would opt for rich materials such as natural stone. Beautiful textured elements like porcelain textured tiles, and the rich walnut tones of the vanity, with painted ceilings and ornate moody wall sconces, creating an overall luxurious feel.
